1. Terms and Conditions

The present terms and conditions apply to the use of the Dive Center (hereinafter referred to as "activity") at boot Düsseldorf 2025 by each participant. Prior to the participation in the activity a preparative briefing must be carried out by the responsible staff of Messe Düsseldorf GmbH or its authorized representatives or other representatives ("event staff"). Participants must obey and follow the instructions of the event staff. The event staff is authorized to issue instructions to participants. In particular, the event staff is authorized to exclude any participant from the activity with immediate effect and without providing a reason. The liability of Messe Düsseldorf GmbH and the event staff is limited to intent and gross negligence, irrespective of legal basis. In the event of damage to life, body, health or in the event of breach of a basic contractual liability (main contractual obligation), the aforementioned legal and natural persons are liable for each level of responsibility. Their liability is however limited to foreseeable, typically occurring damage. Main contractual obligations include in particular, but not exclusively, the provision and proper operation of the activity. Participants declare that they have understood the terms and conditions set out here.

2. Health Impairments / physical abilities

Participants are aware that they are taking part in a sports activity involving risk to personal safety, health, and belongings. Participation in the activity requires extreme caution on behalf of participants. The minimum age for participation is 10 years, for "Try Mermaid" it is 8 years. Participation under the influence of alcohol, drugs, medication or in the event of any health impairment is not allowed. Participants declare that they have understood the terms and conditions set out here. Participants hereby confirm that they have received and understood full instructions about the activity. Participants also confirm that they have not consumed drugs or alcohol, taken no medication that may affect their perception and reaction skills and that their health is not impaired in a way causing the participation in the activity to become a major risk. The list of such impairments includes, but is not limited to the following items:

3. Consent to the processing of personal data concerning health

Participant consents to that Messe Düsseldorf GmbH shall collect its personal data concerning health provided above in cipher 2. Moreover Participant consents to that said data shall be disclosed to the event staff. Diving is an activity which is naturally connected to certain risks to health. Previous illnesses or other health impairments may increase these risks. It is thus the purpose of the data collection in cipher 2 to be able to recognize health risks or risks in connection with (the lack of) physical abilities with the use of the Dive Center yet prior to entering the water and to (re)act. The event staff is in charge of carrying out briefings and conducting safety surveillance. To this end it is necessary that the event staff shall be allowed to view the details in this form.
